

Mallen Alley is happy to formally announce our contingency program for the 2009 NASPORT series. We here are long time GT fans and are excited to see NASPORT make a comeback.

We are offering a rather simple deal, if you buy a wing from us and win the championship using it, we will refund your purchase price. If you buy both a low and high downforce version, you'll get both refunded. Shipping costs aren't included. Also if you buy a bunch of wings and sell them to your friends, we will really appreciate it but the deal only works for wings that you use, maximum of two.

We look forward to NASPORT growing and getting lots of GT cars out and running. Congrats on all the efforts, from the organizers and the racers. Here's to a great season!!

Thanks
